GOLF CLUB

We invite you to come and play at the Windmill Village Hotel.

Our 18-hole golf course is all about strategy; with a series of Par 3's to ease you into your round, with just enough distance and water hazards to challenge a seasoned player, and with stunning scenery to make it your new favourite. Overlooking the West Midlands countryside, our golf course is a 4,729-yard, Par 70 golf course in a stunning parkland setting with panoramic views, tree lined fairways and greens, water features, cross-cut fairways, mature trees, and well-drained manicured greens in excellent condition.

So whether you're a seasoned pro or just starting out, we'll make sure that you feel right at home. If you're staying with us, you're very welcome to take advantage of all the other facilities our hotel has to offer, including but not limited to our health club, spa, Loft18 Restaurant and Cellars Bar.

We are always keen to welcome new members and have a very active and sociable membership.
